Subject: Update from Pavillion Peer Review Call 6/6

Hi Karen and Pat -

I just wanted to give you an update on our brief call with ERG today. ERG is in the process of reviewing candidates for the peer review at this time, so there was not a lot to discuss. The selection process has been pushed back 2 weeks because of the rigorous review effort, but ERG will still be on track for review materials to go out to the Peer reviewers on or around August 2.

I did ask Kate about when the Peer Review Meeting Venue selection would be begin, and she said that would occur after the peer review team was selected and ERG could review their availability in dates that they can all meet. I hope that you both can assist and give feedback in the venue selection in future calls. Our next call will be June 20 at 1:30 Eastern. Please let me know if you have any questions.

Thank you,
